

Lakers Golf, Track and Field To Highlight Spring

Mackinac Island spring sports will get underway during the next three weeks, weather permitting.

In golf, the Lakers linksters, coached by Mary Patay, will include Woody Beardsley, Michael Gamble, Thomas Rilenge, Paul Fisher,

Maggie Chambers, and Marie Bunker.

The first match is scheduled for Thursday, May 3, with a home contest against DeTour at Wawashkamo Golf Club.

"I'm excited about coaching golf, and look forward to the upcoming season," said

Coach Patay.

The Mackinac Island track and field squad is coached by Jeff Ferguson and includes Riley Chaffee, Woody Beardsley, Robert Chambers, Andrew Chambers, Morgan Brodeur-Bunker, and Michi Mullings.

Artist To Teach 'Community Building'...by Beating Drums

Drumcommunity is not just a word Lori Fithian made up, it is a concept of community building she teaches to others by beating drums. She will be performing a concert and holding workshops at Mackinac Island Public School Friday, May 11.

She will lead a hands-on workshop for teachers and students in the morning, then give a public concert at 2 p.m. A public workshop will be held at the school at 7 p.m.

The program is sponsored by Mackinac Arts Council.

Ms. Fithian will bring her collection of hand drums and percussion toys to the Island.

The drumcommunity concept, she believes, is reached when people come together around a circle of drums.

Ms. Fithian said her dynamic program is appropriate for all ages and skill levels.

She has been facilitating drum circles and leading workshops for the last five years,

and has played hand drums and studied various drumming traditions since 1990.

Having played the French horn since the fifth grade, Ms. Fithian brings a life-long love of music and rhythm to her drum circles and workshops. She said she was inspired to play drums as a child, when she would strum on Tupperware bowls.

She has studied drum circle facilitation techniques with Arthur Hull, author of "Drum Circle Spirit - Empowering Human Potential Through Rhythm." She has also trained under Dr. Barry Bittman M.D., neurologist and co-founder of HealthRhythms, a drum circle protocol developed for wellness centers.

This is the first of many programs Mackinac Arts Council is offering this year, which culminates with the Mackinac Music Festival, which will be held August 21 through August 23.

School: New Golf, Track Coaches

* Continued from page 22

The board amended its board compensation policy, adding a maximum number of regular and special meetings board members can be paid for attending, which was set at 12 regular meetings and six special meetings a year.

At February's regular meeting, the board agreed to raise the regular board meeting com-

pensation for board members from \$30 to \$35 per meeting, and special board meetings from no pay to \$15 per meeting.

Dr. Schrock announced Mary Patay as the school's new golf coach and Jeff Ferguson as the new track coach.

Miss Patay is the school's physical education teacher and former soccer coach. Mr. Ferguson is the school's high school science teacher.

Dr. Schrock reminded the board that it has received a letter from a state Republican party representative asking to lease the school building during its conference at Grand Hotel September 22 and 23. Dr. Schrock said the building would be used as a polling site for the party.

No action was taken on the issue.

Football coaches in St. Ignace will visit with Island students who are interested in joining the team, which is a Michigan High School Athletic Association program that allows students from smaller districts to play organized sports at another school nearby.

Island players have regularly participated on the St. Ignace football and baseball teams.
