Dr. Young has wanted to be a physician since childhood.

Dr. Young's ambitions became a reality when she attended Michigan State University for undergraduate and medical school. She has one year remaining on a residency at Munson Medical Center in Traverse City and hopes to join a practice close to her hometown of Ludington.

Her husband visited her last weekend.

"We basically saw the Island on our bikes, and we went to the fort and to several restaurants," she said. "It's just beautiful."
